### RE: MERGING ACADEMIC PROGRAMMES WITH LESS THAN 100 STUDENTS

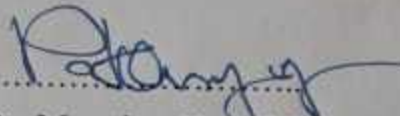

As we prepare for the 2024/2025 SOMU Elections, please take note that pursuant to Article 37, Part 4b) of the SOMU Constitution, academic programmes with less than 100 students shall be merged with others within the respective school to form an electoral college.

In compliance with the said article, therefore, the Electoral Commission has merged academic programmes as shown in the appended table.

**Note** that the rest of the academic programmes (electoral colleges) remain as earlier advertised.
